Preface

This note is a collection of resources designed to help to study exploratory data analysis and visualization with R.

This work is licensed under the Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International [CC BY-NC-SA 4.0](https://creativecommons.org/licenses/by-nc-sa/4.0/).

Acknowledgments

Many thanks to all the people involved in developing and maintaining R base, the tidyverse, and the other package used for this note. A special thanks to authors of reference materials for this note.
